

IDP [Educator] Coordinators Conference

August 6th & 7th, 2010

Chicago, Illinois

Call for Presentations

You are invited to submit a proposal to be considered for presentation during the 2010 IDP [Educator] Coordinators Conference in Chicago, Illinois!

At this year’s conference, IDP Educator Coordinators will have the opportunity to work closely with the IDP State and Auxiliary Coordinators to learn of experiences and successes as an IDP Coordinator in order to prepare for their critical role.

One of the primary duties of an IDP Coordinator is the promotion of the licensure process to students just beginning the process, interns working through it, and architects supervising it. NCARB and the AIA are looking for presentations that highlight success stories or share unique strategies involving the promotion of licensure to the varied audiences. Share your success or challenges so that others can learn from your experience!
